Dear *Anthony*,

Partnering for a Safety Culture
Safety Forum 2026 for Works and Property Management Services

To promote safety awareness and to foster a safety culture, the Hong Kong Housing Authority (HA) will organise Safety Forum 2026 in the form of hybrid with a physical attendance-in-person forum cum webinar on 18 August 2026.

We will join hands with the Occupational Safety and Health Council and the Construction Industry Council to co-organise this event with external standing members of the Housing Department Site Safety Sub-committee (HDSSSC), the Hong Kong Association of Property Management Companies Limited and the Hong Kong General Building Contractors Association Limited as supporting organisations.

Target audience includes members of the HDSSSC, HA staff, contractors, subcontractors, industry practitioners, members of professional institutes, staff and students of tertiary education institutions related to the construction and property management.

Inspiring presentations and experience sharing on the theme “Design-Driven. Tech-Empowered. Building a New Era of Safety Together” will be brought forward in the coming event covering new works, maintenance and improvement works, and property management.

We would like to solicit your support for the following by promoting the Forum to the members of your institution for registration at <https://safetyforum2026.hk/HA/home> from 12 June 2026 to 14 July 2026.

I attach a tentative programme rundown for your reference. The event will be recorded for uploading onto our Housing Authority website for safety promotion purpose. Should there be any queries, please feel free to contact our Ms Emma LAI (Tel: 2129 3859 or email: emmaom.lai@housingauthority.gov.hk).

We look forward to your kind support in making this safety promotion event meaningful and successful.

Yours sincerely,
